Personal Care & In-Home Respite

Caring, respectful support to help you feel your best.

Our personal care services are delivered with empathy and dignity, helping you manage everyday routines with confidence:

- Showering, dressing, and grooming
- Toileting and personal hygiene
- Meal Preparation
- Support with mobility and transfers (e.g. getting in/out of bed, chairs, or cars)
- Help to stay active and involved in community life

We focus not just on physical needs, but also on preserving your sense of **independence and self-esteem**.

Cleaning and Household Tasks

Let us take care of the chores so you can enjoy more of what matters.

We support you with practical, everyday tasks to keep your home clean, and welcoming:

- General house cleaning and tidying
- Mopping and vacuuming
- Laundry and Linen

Whether it's keeping your kitchen sparkling or your home smelling great, we're here to make life easier—**just the way you like it.**

Light Home and Garden Maintenance

Let us assist to keep your home safe for longer.

We assist with light general maintenance to keep your home safe:

- Light home maintenance and minor repairs
- Safety modifications such as handrails and ramps
- Window and gutter cleaning
- Gardening, lawn mowing, and weeding

Whether it's keeping your home safe or your garden blooming, we're here to help you **stay in the comfort of your own home**

Nursing

Proactive support to keep you feeling well every day.

We offer gentle, expert care to help manage ongoing health conditions and support your comfort at home:

- Wound care and skin health
- Assistance with eating or tube feeding
- Continence assessment and access to necessary aids
- Medication prompts and monitoring (if needed)

Our goal is to help you feel **secure, supported, and in control** of your health.

Allied Health

Access to experienced professionals for ongoing health needs.

Our network of qualified clinicians works with you to manage your health with care and respect:

- Nursing and medication support
- Physiotherapy, chiropractic & osteopathy
- Occupational therapy & rehabilitation
- Speech therapy and communication support
- Nutritional advice and special dietary support
- Dementia, cognitive, vision & hearing care

We work closely with you, your family, and your healthcare team to deliver care that's **holistic and truly personalised**.
